# Company Profile

**QUOTE**  
CONSTRUCTION

Quote Construction is a wholly owned indigenous company registered with the Companies Act (Chapter 24:03) on the 5th of April 2001. As an integral part of the construction industry, the company commenced operations in 2001 and has since made its mark. Its major line of business involves activities such as construction of houses, driveways as well as painting, plumbing, glazing, carpentry, electrical, tiling and all jobbing and maintenance services deemed necessary. Although Quote Construction came on to the scene at the height of harsh economic hardships that were prevailing in Zimbabwe and the region, it has defied all odds to establish itself as a formidable player in its line of business as evidenced by its ever growing client base. Such growth is in line with managements clearly stated vision.

## MISSION

Through our high level professional workmanship, we guarantee client satisfaction and peace of mind by providing world class construction service in line with individual tastes and preferences at competitive and unbeatable rates.

## VISION

To become a reputable market leader in the provision of quality construction services to a diverse market.

## VALUES

- Professionalism
- Diligence
- Honesty
- Integrity
